PLEA FOR CITY TO MAKE GATHERING HUGE SUCCESS

Put Glendale Upon Map As
Convention City, Urged
By Howard L. Brown

"The state Christian Endeavor convention which begins a five-day session Saturday is the biggest thing that ever came to Glendale. Let's all put our shoulders to the wheel and make this the biggest success in the history of Christian Endeavor conventions. Let's send the delegates back to their homes in the various parts of California talking about the wonderful time they had in Glendale. In other words, let's put Glendale on the map as a convention city that 'Knows How.'" were the closing words of Howard L. Brown, past president of the California Christian Endeavor union, and chairman of the general committee of Glendale, in the final instructions given to the members of the various committees, numbering over 300 who met in a grand rally and social gathering at the First Methodist church last night.

And let it be said right now that Glendale is ready to adequately greet the incoming guests. As a result of months of hard work and enthusiastic planning the different committees, with one exception, are ready to report that everything is in readiness.

More Rooms Are Needed

Miss Ethel Preston, chairman of the entertainment committee, reported that citizens of the community are not meeting the request for rooms as readily as is desired. In fact, less than half of the necessary rooms have been secured so far. That this is a matter that requires the hearty co-operation of every citizen of Glendale is the declaration of Miss Preston. The fact that this city possessed no hotels was one of the principal objections made to allowing the 1921 convention to be held here, and it was only after strong as-

Rev. D. H. King And Family Are Surprised

Rev. D. H. King and family of Hollywood were entertained at dinner yesterday by former New Jersey friends, Mr. and Mrs. W. F. Tower of 328 North Maryland. The Kings have just arrived in California the past month. Mr. King was a prominent member of the West Jersey Presbytery. He served the First Presbyterian church in Vineland, N. J., for twenty-five years. Word had been sent "on the quiet" to several New Jersey acquaintances now living in California. So while Mr. King was taking a rest after dinner several auto loads arrived and greatly surprised and pleased the doctor, and a pleasant social time followed. There were present besides the host and family Dr. and Mrs. King and daughters Vera and Zeta and son-in-law, Mr. Schreengost of Hollywood. Ernest and Frances Smith, prominent business men of Orange with their families and Andrew and Mrs. Erickson and children of Hollywood. A Cumberland county, New Jersey, picnic has been arranged for July 4 at Bixby Park, Long Beach. There are about 100 former residents of Vineland, N. J., now living in and around Los Angeles.

Mrs. Agnes Richardson To Be Club Hostess

The Nimble Finger club meets tonight at the home of Mrs. Agnes Richardson of 610 East Broadway. The evening will be spent in sewing for the Children's hospital and in making six blocks for a quilt, which is all completed but the six blocks. The members of this organization have done some splendid work for charitable institutions and are to be commended.

Mr. and Mrs. Barnett Hosts At House Party

Mr. and Mrs. J. C. Barnett of 631 North Central avenue entertained at their guests at a house party Mr. and Mrs. S. R. Robinson of San Diego, Mr. and Mrs. W. A. George of Hermosa Beach, Miss Garutte and Mrs. Caldwell of Adel, Iowa. The party motored from San Diego, where they were week-end guests of Mrs. Barnett's niece, Mrs. Robinson.

Journey To Van Nuys To Visit With Friends

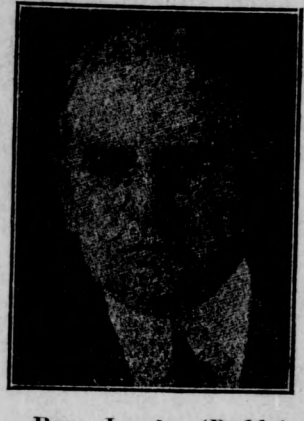

Mrs. Ed Wolbach of 373 Myrtle street, Mrs. C. O. McGee of 377 Myrtle street and Mrs. John Fanset of 1006 East Harvard street motored to Van Nuys Friday and visited friends in that city.

'Daddy' McAfee Coming To Convention

Albert Dingle To Be Visitor In Glendale

Al Dingle, head of the San Quentin C. E. Society, who will act as Grand Marshall of the big C. E. Parade Tuesday evening.

Rev. L. A. (Daddy) McAfee, pastor of the First M. E. Church of Berkeley, known as the College Church, one of the principal speakers of the C. E. Convention.

Among the many noted personalities who are active participants in Christian Endeavor work in California who will attend the forthcoming convention, are the Rev. L. A. McAfee of Berkeley, and Albert Dingle, president of the Marin county Christian Endeavor union.

Dr. McAfee, or "Daddy" McAfee, as he is affectionately known by his many friends of the University Town, is pastor of the First Methodist church of Berkeley, which is frequently referred to as the College church, owing to the great popularity which it has attained with the students of the university. The broad vision and genial kindness of Dr. McAfee has so endeared him to the young folks of Berkeley that this chap-

ter of the Christian Endeavor is today the largest in the state. In addition to his position as head of the Berkeley Christian Endeavor, Dr. McAfee, who will be one of the principal speakers at the Glendale convention, has acted as Pastor Counselor of the California Christian Endeavor union for the last four years.

"Al" Dingle, who is president of the Marin county union of the Christian Endeavor, has made a special study of modern reformation methods and is at the head of the Christian Endeavor society at San Quentin prison which is the second largest union in the state. Mr. Dingle, who will act as Grand Marshall of the parade, has frequently acted in this capacity at former conventions.

Mr. and Mrs. W. Keene House Warming Hosts

Mr. and Mrs. W. E. Keene of 616 South Brand boulevard were hosts last night to about twenty young people, fellow employees of the Day and Night garage and their lady friends, at a lively "house warming" and entertainment. The beautiful home was artistically decorated with white carnations mingled in with an elaborate background of green fernery. "Pep" was the by-word of the gay affair, and this short word was interwoven in the decorations throughout the several rooms of the home.

The guests were entertained during the first part of the evening with an excellently-rendered musical program, after which dancing was enjoyed. Dainty refreshments were served throughout the evening.

Tuesday Club Luncheon Is Being Held Today

The beauties of a summer day are reflected in the dainty decorations being used in the Masonic Temple, at which place the annual luncheon and final meeting for this season of the Tuesday Afternoon club, which began at 1 o'clock this afternoon. The decoration committee, under the direction of Mrs. Walter Jones, carried out the club's colors of green and gold in their scheme of decorations. Yellow butterflies, marigolds, nasturtiums, coccinellids and garlands of ferns were in evidence everywhere, the scene all set for this elaborate social event of the club season.

After the luncheon, under the supervision of the members of the hospitality committee, there will be a program and installation of officers, full account of which will be given in Wednesday's Glendale Evening News.

Miss Eva Goudy Of Wichita Visits Here

Miss Eva Goudy of Wichita, Kan., is visiting with Mr. and Mrs. A. W. Reynolds of 312 North Orange street at present. She has become greatly enamored by Glendale's charm and says she intends to purchase a site here for her future home. Miss Goudy expects to visit all of the Pacific coast cities before returning to her eastern home later this summer.

Daughters Of Veterans Plan To Give Dance

The Daughters of Veterans will hold a dance next Tuesday night at the Odd Fellows' hall, corner of Broadway and Broadway. Herb Henning's orchestra will furnish the music and it promises to be a "jazzy" affair.

Mr. and Mrs. Mellus Guests On Motor Boat

Mr. and Mrs. Frank H. Mellus of 355 West Lexington Drive were guests aboard the motor boat, "Miss Snip," of their friend, Alfred G. Wilkes of San Mateo, on a trip to Santa Catalina Island. The party left San Pedro Friday and returned Sunday evening. Guests included Mr. and Mrs. W. E. Smith, Mr. and Mrs. L. R. Mellus, Mr. and Mrs. F. H. Mellus, Miss Allison Rankin, B. Cavanaugh, Mr. and Mrs. A. G. Wilkes.

Miss Elsie L. Shackley And J. C. Benson Wed

Miss Elsie Shackley and John C. Benson of Los Angeles were united in marriage Saturday evening at the home of the Rev. C. R. Norton, 801 East Wilson avenue, in the presence of immediate relatives. The bride's parents are old friends of the Rev. Mr. Norton. After a brief honeymoon trip to San Diego, the young couple will be at home at 347 West 58th street, Los Angeles.

Mr. and Mrs. F. L. Fox Entertain With Dinner

Mr. and Mrs. Frank L. Fox of 345 North Kenwood street entertained with a dinner party recently in celebration of the seventy-sixth birthday anniversary of Mrs. Fox's father, S. P. Woodsum of Long Beach. Guests present included S. P. Woodsum, Mr. and Mrs. Joseph Woodsum of Redlands, Mr. and Mrs. A. I. Woodsum of Los Angeles, Miss Gladys Ashmore of Los Angeles, Dr. and Mrs. T. C. Donnell of Long Beach, Mrs. Thomas Merritt and daughter Alice of Glendora, Mr. and Mrs. W. A. Tanner and Mr. and Mrs. Frank L. Fox of Glendale.

Good Progress Being Made On Bond Issue

At a second meeting of those interested in promoting the swimming pool bonds at the coming municipal election, Edwin F. Kulp and W. F. Kirk were named on a speakers' and publicity committee. The session was held in the city hall last night with City Recorder F. H. Lowe presiding. The committees canvassing the city for pledges reported good progress.

Mr. and Mrs. J. Esterly Visitors In Long Beach

Mr. and Mrs. John Esterly and daughter Helen of 438 Oak street spent Sunday visiting with their son and his wife, Mr. and Mrs. W. W. Esterly at Long Beach. Mrs. W. W. Esterly has just recently been operated on for acute appendicitis and is getting along very nicely.

PARKING PRIVILEGE OFFERED C. E. IN VERDUGO PARK

F. P. Newport Helps To Solve
Problem, Is Reported To
C. Of C. Directors

Parking privileges for auto camping parties coming to the state Christian Endeavor convention this week-end have been generously granted in Verdugo Park, part of the Verdugo Woodlands tract, by F. P. Newport, according to a communication from City Manager T. W. Watson, which was read before the directors of the Chamber of Commerce this afternoon. This solves one of the biggest problems facing Glendale in coping with the convention crowds.

Proposes School Bonds
After T. D. Watson, representing the Glendale Union High school board of trustees, presented the necessity for a bond issue, both for a site and new buildings which will involve the expenditure of \$350,000, a motion by Peter C. Ferry was carried which calls for an investigation by a committee of five which will confer with the trustees.

Mr. Watson made it clear that it was the desire of the school officials to have the Chamber of Commerce determine the site, two of which already are under consideration. One proposition is to purchase two more blocks adjacent to the present campus and the other is to buy a tract of land from the Thom subdivision at Lexington drive and Glendale avenue.

High School Bonds Planned
Twenty acres for high school purposes is a minimum required by a high school in a city growing as rapidly as Glendale, according to the speaker, who referred to San Bernardino, Riverside and Pasadena as having twenty acres each, and the latter has recently purchased thirteen acres additional. Glendale high school is twenty-sixth among the 338 high schools of the state and sixteenth in size.

A committee of two was ordered to investigate the reason why William E. Greer, postal clerk, should be removed from a window position here. Attorney James F. McBryde having addressed a communication to the board asking them to protect this former service man who has poor eyesight.

Representatives of the Aerograph Corporation of America presented a stock selling plan before the board and the following new members were accepted: E. E. Brown, druggist, (Continued on Page 4.)

It's Clean-Up Day; City Teams Are Busy

Two motor trucks and two teams and wagons are busy today cleaning the streets and alleys of rubbish while householders generally are participating with a will in making the city spick and span for the coming Christian Endeavor convention.

City Sanitary Inspector H. W. Holtenbeck is directing the work and reports that it is progressing satisfactorily in spite of the hot weather and natural tendency to let good enough alone. However, there is much work to be done and it is hoped that the clean-up campaign will continue right up to the last minute before the throngs arrive.

Mr. and Mrs. Hayward On Catalina Island

From Catalina Island comes the message that Mr. and Mrs. E. P. Hayward of 200A North Louise street are greatly enjoying a two-weeks' outing at Avalon. The magic isle is not so crowded this year and wonderful times are being had. The Haywards intend to spend another week before returning to Glendale where Mr. Hayward is a manager with the Edwards & Wilsey company. The latter concern has recently increased its capital stock from \$50,000 to \$100,000.

REV. TUTTLE IS VISITOR

Mr. and Mrs. O. O. Clark of 346 North Louise street had as their week-end guest Rev. Rolin Tuttle, who recently came to southern California from Boston.

CARPENTER'S TOOLS STOLEN
Carpenter's tools belonging to Jack Hesse and Robert Breckenridge were stolen from a job at 613 East Palmer avenue last night, according to police reports.

AUTO CRASH; NO ONE HURT
A terrific automobile crash on San Fernando Road last evening was reported to the police. No one was injured. R. P. Turner, driving a light car, was hit by a big machine driven by A. Sternlow.

Today's World News In Brief

(By United Press to Glendale Evening News)

CHARLES G. DAWES IS CHOSEN DIRECTOR OF BUDGET
WASHINGTON, June 21.—President Harding has named Charles G. Dawes director of the budget, it was announced at the White House.

ARMED MEN KIDNAP AGED EARL OF BANDON, IS REPORT
CORK, June 21.—The aged Earl of Bandon was kidnapped by armed men last night, according to advices received here today. The earl's residence, Castle Bernard, was burned by the raiders, it was said. Rescue parties were scouring the country in search of the earl and his captors.

NAVAL PLANE CATCHES FIRE; RESCUE CREW OF SEVEN
NORFOLK, Va., June 21.—Naval plane NC 7 caught fire over the Middleground lighthouse, Hampton Roads. The crew of seven men was rescued by a tug. The chief radio operator stuck to the plane and was rescued by E. J. Applegate of the tug who swam to the plane for the unconscious man. The naval plane was on its way to take part in the bombing tests off Norfolk.

JOCK HUTCHINSON LEADS ALL GOLFERS QUALIFYING
ST. ANDREWS, Scotland, June 21.—Jock Hutchinson of Chicago with a record breaking score of 69, today led all golfers qualifying for the British open championships today. Jock's total for the two qualifying rounds was 146. The American professional champion played the new course today. He previously held the record for it with a 70. His score over the old course yesterday was 77.

WOMAN KIDNAPED BY CANNIBAL NATIVES RESCUED
SAN FRANCISCO, June 21.—Kidnaped by the cannibal natives on one of the Solomon Islands in the South Seas and held a prisoner in a hut in the heart of a sandalwood forest for six hours, was the experience of Mrs. Helen Whatley of Denver. She was rescued by a posse formed by her husband, Jesse Whatley. The Whatleys arrived here yesterday on the British liner Tahiti after spending thirteen months in Australia, New Zealand and the South Seas.

S. F. MAN FALLS TO SUDDEN DEATH IN MERCED RIVER
SAN FRANCISCO, June 21.—Robert G. Ray, prominent San Francisco real estate dealer, fell to his death in the Merced river near Yosemite yesterday when he slipped from a rock and whirled into the rapids, according to a report received here. Although he was instantly whirled from view, R. C. Rappen of Oakland, made an heroic effort to save him by plunging into the swollen stream. The effort was futile, Ray having, it is believed, struck his head on a submerged rock which rendered him unconscious.

KILLS WIFE AND IS PREVENTED FROM SHOOTING SELF
LONG BEACH, June 21.—After waiting two hours for his wife to appear at her place of employment on the Pike here today, Henry Miller fired three shots into the woman's body and killed her instantly. Miller then attempted to turn the gun on himself, but was prevented from suicide by Frank O'Conner, a passerby. The gun exploded, grazing Miller's face. The Millers were married six months ago. Miller, when arrested by Patrolman Harry Statt, refused to talk of the shooting, beside saying that he and his wife had been recently separated.

UNITED STATES STEEL OPENS AT NEW LOW FOR YEAR

NEW YORK, June 21.—United States Steel opened at a new low for the year on the stock exchange here today. The quotation was 70½, compared with the close yesterday at 71. B. & O. opened off a full point at 32 and then sold down to 31 5-8. Southern Pacific made an early low below 68. The entire market was heavy at the opening. Among rails which declined with Southern Pacific was Reading, off 3-8 at 60¾. Great Northern, preferred, responded to the declaration of the regular dividend with an advance of a point at 61½. Mexican Petroleum was off ½ at 105½. Despite a challenge from President E. L. Doheny for an investigation of the spectacular drop in that stock, the exchange has taken no action along that line. Studebaker was firm at the opening with early sales above 70, compared with a low Monday at 69¼.

FORMER GERMAN U-BOAT SUNK BY U. S. NAVAL PLANES

ON BOARD U. S. S. HENDERSON, OFF HAMPTON ROADS, June 21.—The ex-German U-boat No. 117 was sunk by naval planes sixty miles off Hampton Roads today. The submarine sank after two attacks, in which twelve bombs were dropped. Three bombs were dropped in the first attack, made by three navy machines at 10:23. One direct hit was made. At 10:32 three planes again went to the attack and dropped nine bombs. One bomb hit the submarine just aft of the conning tower and the others dropped near her. Six minutes after the bomb exploded on the submarine the vessel listed and one minute later the conning tower disappeared. Lieutenant Colonel C. C. Culver, flying an army plane and accompanied by an observer, crashed near the U. S. S. Henderson, stationed a considerable distance from the target. Both men were picked from the water by a naval plane. Both escaped injury.

GOVERNMENT TAKES UP SEARCH FOR MISSING SHIPS

WASHINGTON, June 21.—Four departments of the federal government today took up the search for three missing American ships. "Crews whereabouts never reported." The mystery of the disappearance of the vessels was the more tantalizing because it all happened a short distance from Washington—off Cape Hatteras. On a calm sea and in clear weather the ships disappeared, their crews going with them. A fourth ship, a schooner, ran ashore in the vicinity of the cape, all sails set, her cargo untouched. A lone squalling parrot was aboard the schooner. The parrot and a bottle containing a hastily scribbled note were the sole relics of the schooner—the Deering—which piled up on the coast January 13. The note said the Deering had been captured by an oil burning chaser and her crew and captain made prisoners. William B. Wormell, Portland, Maine, was captain of the sailing vessel and his daughter has been instrumental in arousing officials to an investigation of the accident. She has made an independent search the country over for her father. Another young woman was instrumental with Miss Wormell in causing an investigation.

J. A. NEWTON HOME FROM SIX WEEKS SPENT IN EAST

Attends General Assembly Of
Presbyterians; Visits Big
Factory Establishments

J. A. Newton of the Newton Electric company, first vice chairman of the general committee in charge of arrangements of the State Christian Endeavor convention, returned last night from a six weeks' trip in the east. Mr. Newton was one of the fifty-two delegates of the state of California which attended the convention at Winona Lake, Indiana, of the General Assembly of the Presbyterian church, there being about 900 delegates in attendance from all parts of the United States and the world.

Some of the interesting points related by Mr. Newton in connection with the convention was the report of increased membership in the Presbyterian churches of the United States, which showed a net gain of 77,000. He also states that there was an increase of something like \$21,000,000 in the amount of money used for benevolent work the last two years. The convention is to meet next year at Des Moines, Ia. Reports showed last year to be the greatest in the history of the church throughout the world.

Visitor to Large Factories

After attending the convention Mr. Newton went on through the east stopping at various points of interest and visiting many of the larger factories. He visited the Ford factory at Detroit, from which place he went by lake steamer to Buffalo. From there he visited the Niagara Falls and then back to Cleveland. At that city he visited the research laboratories of the National Lamp Works and different manufacturing plants of washing machines and vacuum cleaners.

"Business conditions in the east," Mr. Newton states, "are in pretty bad shape, although things are looking brighter at present than in the last few months. Some people think we have had hard times in California, but they know nothing of the hard times people in the east have been experiencing."

Many "For Rent" Signs

"I was indeed very much surprised at the number of 'For Rent' signs in evidence and also by the number of factories that are shut down. At the Westinghouse factory at Mansfield, Ohio, they are running only 35 per cent of their regular shift, and that only three days a week. It is the same way in a number of other cities. It was not until I was east of the Mississippi that I found these conditions prevailing. When it is taken into consideration that the overhead expenses are practically the same whether the factories full force or part time, it will readily be seen that the proportionate cost of the output is greater. There were only a few places where there had been a cut in wages. It does not appear that there would be any possibility of reduction in the prices of machinery of any sort."

Sees Signs of Flood

"On account of the floods in Pueblo, it was necessary for me to re-route my course, which took me through Wyoming. We did encounter some of the ravages of the floods along the Platte river. Along the South Platte river the water was right up to the railroad tracks. Entire fields were inundated."

Mr. Newton stopped over for a few days at San Francisco on his return trip and was met at Santa Barbara by Mrs. Newton. As is the case with many others returning to this city, Mr. Newton says that Glendale looks mighty good.

Mr. and Mrs. Potter On Big Bear Outing

Mr. and Mrs. Pierre V. Potter and daughter, Dorothy, of 446 West Broadway, left Glendale last night for Big Bear lake, where they will spend the summer vacation. Mr. and Mrs. Potter are strong boosters for the San Bernardino mountain resort, having spent the last seven summers at their cabin on the north side of the lake. Before the Potters left, however, they insured themselves of keeping in touch with the home town by ordering the Glendale Evening News to be sent to them while on their vacation.

During their absence Mr. and Mrs. Potter's home will be occupied by Dr. Paul Frey and wife, and Mrs. C. H. Darling, who is Mrs. Potter's mother.

Rev. and Mrs. E. E. Ford At Conference Picnic

Rev. and Mrs. E. E. Ford of 326 Fairview avenue attended a ministers' conference of Los Angeles at Sycamore Grove yesterday. The conference was in the form of a picnic.

IMPORTANT TO YOU
We have been placing in this paper from time to time an advertisement which was headed this way:

"Have you heard of the shallow oil fields at Canajo, Camarillo, Ventura County?" Well, a great many of our Glendaleans have responded gracefully by seeking information and after receiving same, they have in every case purchased an interest in this lease, where the well is drilling.

We wish to announce that the showing of the first well has been far beyond our expectations and we hope to announce in the very near future that the first well is on production. From the showing now, you should expect a fine well. Some of you have hesitated, but if you are going to secure your interest in this enterprise at the present price, you will have to act without delay. H. L. Miller Co., 109 South Brand boulevard. Henry-Brown Company

Have C. of C. Display

Another display has been added to
the Chamber of Commerce exhibit,
which will attract great attention
this warm weather.

That is the showcase filled with
the Henry-Brown company Sierra
club beverages.

In addition to the attractive dis-
play of this Glendale industry which
has personally arranged by F. J. W.

Henry, he presented the office force
with 15 bottles of the famous
Pinks.

Some people's excuse for making
ad breaks is that it is never too late
to mend.

dale today to spend a few days. Mr.
LaMotte will go on to Sacramento
on legal business and Mrs. LaMotte
and children will visit at the home
of Mr. and Mrs. Walter Jones, 312
West Vine street. He will come
back this way and pick them up on
his return trip to San Diego.

A typical summertime picnic was
held last night at Griffith park when
a party of Glendale and Los Angeles
people motored there and took their
supper. Those in the party were:
Mr. and Mrs. Robert Forgie, Mr. and
Mrs. Robert McCourt and family of
Glendale, Mr. and Mrs. Wm. Jordan
and Mr. and Mrs. Harry Harrison of
Los Angeles.

Mr. and Mrs. G. E. Leaton and
family of 504 East Raleigh St. will
leave Saturday for Sespe Canyon,
Ventura county, to spend a couple
of days. They will be accompanied
by Dr. and Mrs. Line from Pasadena.
The purpose of this trip is to locate
a desirable camping spot for Fourth
of July. They will camp out and
are planning on a very pleasant time.

Mr. and Mrs. George Bayless of
West Magnolia avenue have just re-
turned from a three weeks' trip to
Tucson, Arizona, where they visited
their son and his wife. They were
accompanied by their little grandson,
Jean Bayless, and their daughter,
Mrs. George Wandro of Oakland,
who has been spending a few weeks
here. Mrs. Wandro likes Glendale
very much and would like to locate
here if Mr. Wandro, who is with the
Southern Pacific, could get a position
here.

for some time. Mr. Windsor met
with an accident while painting a
roof. He fell off and broke his arm
and hip. He is getting along as
nicely as could be expected.

Mr. and Mrs. Dan Sawhill, until
recently of Los Angeles, have just
located themselves at 122 South Ad-
ams street. Although the Sawhills
have been residents of Los Angeles
for the past six years they have made
many friends in Glendale during that
time, and their moving to this city is
welcomed by all of them.

Dr. and Mrs. E. H. Lyman and Dr.
and Mrs. H. C. Bagby, all of Santa
Barbara, are the house guests of Mr.
and Mrs. C. F. Parker of 221 North
Central avenue. Mrs. Lyman is
their daughter. Dr. Lyman and Dr.
Bagby are attending the dentists'
convention in Los Angeles.

Rev. and Mrs. C. R. Norton of 801
East Wilson avenue were very much
pleased to have as their dinner guest
last evening Ned McCauley of Des
Moines, Iowa, whom they knew in
that city twenty-five years ago. Mr.
McCauley is touring the state. He
has purchased land in the northern
part of California and intends to
make his home there.

Mr. and Mrs. N. C. Chambers and
daughter, Miss Genevieve Chambers,
until recently residents on Arden
avenue, have left Glendale for Berke-
ley, where they intend to make their
permanent home. Miss Chambers
has just completed her third year at
the University of Southern Califor-
nia and will complete her course the
coming year at the state university.

Mr. and Mrs. L. H. Flint and
daughter, Miss Marie Flint, arrived
in Glendale from El Paso, Texas, last
week and spent a few days visiting
Mr. and Mrs. Roy L. Flint prior to
leaving for Coronado. After spend-
ing a few weeks at the southern
beach resort they will return to Glen-
dale to make their permanent home
here.

Mrs. Pauline Kohl of 732 South
Columbus avenue entertained her
sister, Mrs. Marie Vorbeck of Alham-
bra, at dinner Sunday. In the aft-
ernoon the two ladies, accompanied
by Mrs. Kohl's son and daughter,
Walter and Margaret, enjoyed a long
automobile ride to San Fernando,
Topanga Canyon, Santa Monica, Ven-
ice, Ocean Park and Hollywood.

Mr. and Mrs. Lindsay Are Hosts At Musical

Saturday night Mr. and Mrs. Wm.
Lindsay, who live on Wabasso Way,
Selvas de Verdugo, entertained with
a musical for Mrs. Madeline Lux Nel-
son, an operatic singer from St. Paul,
Minn. The house was profusely de-
corated with flowers and refresh-
ments were served the visitors. A
most interesting and enjoyable pro-
gram gave pleasure to all. Mrs.
Nelson sang, accompanied on the pi-
ano by Mrs. Dette A. Lee. Little
Misses Marcia Cleaveland and Norma
Jean Groton danced and the Misses
May and Ida Lehy sang.

Those present were Mrs. Madeline
Lux Nelson, St. Paul, Minn.; Dr. E.
E. Kaiser and Miss Doris Boone, Hol-
lywood; Mr. and Mrs. G. A. Cleave-
land, Jr., and daughter, Marcia, Sel-
vas de Verdugo; the Misses Lauter-
man, La Canada; Mrs. Alfred C.
Danz and Mrs. Dette A. Lee, Los An-
geles, and Mr. and Mrs. Blake Frank-
lin, Mr. and Mrs. Cary Groton and
daughter Norma Jean, and Mr. and
Mrs. S. Francis Worsley, Glendale,
and Misses May and Ida Lehy, Miss
Anderson, Mr. and Mrs. Jack Le-
vinge and the Lindsays.

Dr. Henry R. Harrower Sends Check For \$500

Dr. Henry R. Harrower, of the
Harrower Laboratories, has an-
swered the appeal sent out for sub-
scriptions to the Citizens' Building
corporation by sending them his
check for \$500. This substantial
purchase of stock makes the direc-
tors feel confident that the people
of Glendale desire this semi-public
office and store building, which is to
be erected opposite The Glendale
Evening News office.

A meeting of the directors of the
corporation will be held tonight at
the Chamber of Commerce headquar-
ters at which time the stock selling
campaign will be further outlined.

Eustace Rowley Guest Of Honor At Dinner

Eustace Rowley was the guest of
honor at a dinner party given Sat-
urday night by Miss Alice Holmes at
the home of her sister-in-law, Mrs.
W. W. Holmes, at 206½ East Chest-
nut street, the occasion being in cele-
bration of his birthday anniversary.
Strips of pink and white crepe paper
hung from the dome over the dining
table to each guest's place, carnations
in these two colors forming the cen-
ter piece.

After an elaborate dinner the
guests spent the remainder of the
evening in music, dancing and cards.
Those present included Eustace Row-
ley, Mr. and Mrs. A. W. Holmes,
Miss Margaret Crawford, Roy Sel-
over, Mr. and Mrs. W. W. Holmes
and Miss Alice Holmes.

CONDEMNED BY FEDERATION

DENVER, Colo., June 21.—The
Kansas industrial court law was
again condemned by the American
Federation of Labor here today. The
convention unanimously approved
the report of the executive council
condemning the industrial court
plan.

PLANS FOR REBUILDING
SACRAMENTO, June 21.—Plans
for rebuilding the service building at
Weimar Sanitarium, destroyed last
night by fire, will be made at a
meeting of the executive board from
the eleven counties interested, to-
morrow.

The dining room and kitchen were
in the service building. A player
piano and a motion picture machine
were in the building and were de-
stroyed. The loss is estimated at
\$30,000. The fire started from the
kitchen range.

SHOULD MAKE RICH DISGORGE

WASHINGTON, D. C., June 21.—
Congress should make the rich dis-
gorge their huge private stock of li-
quor, Representative Pou, North
Carolina, said today.
Amendment of the prohibition en-
forcement laws in this way would
make them operative on rich and
poor alike, according to Pou, who is
ranking democrat on the house rules
committee, which now has the Vol-
stead supplemental prohibition bill
under consideration.

POLICE BADLY SLASHED

HONOLULU, June 21.—In a riot
in which the striking shipyard work-
ers participated at Osaka a number
of police were slashed and badly cut
with knives and a large number of
the rioters were injured according
to the Japanese language newspaper
Jiji.

The cause of the riot is said to
have been the rejection by the Osaka
employers of the ten demands of
the workers which included collec-
tive bargaining and other uncon-
ventional labor demands. Much unrest
is reported among the other workers
in Osaka and further trouble is
feared.

KING AND QUEEN GUARDED

LONDON, June 21.—Amidst the
greatest anxiety that has been felt
since the war London today saw
King George and Queen Mary leave
for Belfast formally to open the
Ulster parliament tomorrow. The
royal couple, surrounded by the
heaviest guard in years, left the sta-
tion here at 1 p. m. They will re-
turn late tomorrow.
Secret service men, members of
the royal Irish constabulary in plain
clothes, picked for their knowledge
of Irish conditions and individual
Sinn Feiners and a picked force of
auxiliary police were aboard the
train which pulled out for Holyhead,
Wales. In the Ulster capital they
will be protected by a regiment of
Irish guards and a squadron of the
Irish guards which left yesterday to
cross the channel.

MYSTERIOUSLY MISSING

NEW YORK, June 21.—The
steamer William O'Brien was re-
vealed today as one of the five
American vessels which has disap-
peared mysteriously.

Lawrence Richey, investigating for
Secretary Hoover, said the William
O'Brien was lost two months ago,
apparently about 700 miles out. He
is here searching in shipping circles
for any information regarding the
lost vessels.

Richey said the William O'Brien
started one trip but was forced to
put back following a dispute between
the captain and chief engineer. With
a new engineer she began another
trip from which she never returned.

The grim side of the mystery was
revealed by Richey who said he is
going to Cape Hatteras to investigate
a report that several bodies have
been washed ashore there. He be-
lieved it possible that the bodies
were those of sailors from some of
the lost vessels.

SEEKING WOUNDED MAN

PORTLAND, June 21.—Police to-
day are seeking a wounded man, al-
leged strike breaker, who was be-
lieved to have been shot in a fierce
gun battle near the Shell oil docks
in Linton, near here, early today,
when four policemen engaged eight
men in a running revolver battle.
Six of the men were arrested. One
of the men, believed to be John Dar-
rell, 30, was shot and an eighth
member of the gang severely wound-
ed. It is this last man whom the
police are seeking.

KILLED IN AUTO CRASH

SACRAMENTO, June 21.—An-
drew Stock, Tehama county, was killed
and Frank W. Snelling and W. F.
Scott were seriously injured when
their automobile skidded in soft dirt
and plunged over the bank near
Towle last night. The men had been
working on a bridge building near
Shingle Springs.
Stock lived for some time after
the accident but died on the train as
he was being brought here. The
other two men are in the Southern
Pacific hospital here.

TRIED TO RETRIEVE

"Do you know what day this is,
John, dear?" she asked sweetly at the
breakfast table.
Unpleasant recollections of pre-
vious memory lapses flashed through
John's mind. He wouldn't be caught
this time!
"Why, of course, my love! How
could I possibly forget that this is
our wedding anniversary?" he said,
with gentle reproach.
"No, it isn't. That is three months
ahead," she responded coldly. "This
is the day on which you promised to
take the afternoon off from the of-
fice and beat the rugs!"

Expressing the vote of thanks of
the directors, a letter addressed to
Dr. Henry R. Harrower, chairman of
the postoffice committee, was read
by Secretary Rhoades in which it was
stated that a "resolution was unani-
mously adopted by the board extend-
ing to you and your good committee
a vote of thanks for the able and ef-
fective manner in which you have
handled this entire matter, and ex-
pressing confidence that through
your ability and untiring efforts
Glendale soon will have an inde-
pendent postoffice."

According to the communication,
more than 2000 signatures were ob-
tained from heads of families which
represents more than 50 per cent of
the 20,000 population. These peti-
tions were taken to Washington per-
sonally by Attorney W. E. Evans.

Local People Guests
Of Doug Fairbanks

Mr. and Mrs. C. C. Cooper, Mr. and
Mrs. James M. Rhoades, Mrs. Edwin
Dodds and Mrs. Brown, the latter of
Eagle Rock, were guests of the Eth-
ical Motion Picture society at Doug
Fairbanks' studio in Hollywood Sat-
urday afternoon. The star spent
quite a deal of his time between
shots in "The Three Musketeers" en-
tertaining the delegation represent-
ing the Glendale Chamber of Com-
merce.

JUST LIKE THE BOSS

The other day a clerk in a Jewish
mercantile house completed a quar-
ter of a century's service with the
firm.

Schmidt, the senior partner, hand-
ed him in the morning a sealed en-
velope inscribed:

"In memory of this eventful day."
The clerk gratefully accepted the
envelope without opening it, but on
the gracious hint from the chief he
broke the seal.

Inside he found a photograph of
his employer.

"Well, what do you think of it?"
inquired Schmidt, with a grin.

"It's just like you," was the am-
biguous reply.

War between England and Amer-
ica is unthinkable. Each has a
wholesome conviction that it could
not lick the other.

Mrs. Harriett Hopkins
To Be Wedding Guest

Mrs. Harriet Hopkins of 404 West
Broadway will be a guest this eve-
ning at the wedding ceremony of
Miss Edith Dean and Albert S. John-
son, both recently returned to Los
Angeles from France, where they
were in the service, which will take
place this evening at St. John's
church, Los Angeles. A wedding
supper will follow the ceremony, at
which Mrs. Hopkins will also be a
guest.

SOMETHING NEW IN WINDMILLS

Many attempts have been made to
solve the problem of efficiently uti-
lizing the winds as a means of gen-
erating electricity. The difficulties
arise from the extreme variations in
the force of the wind and from the
liability, even in windy regions, to
periods of calm, during which no
power at all can be obtained. These
conditions suggest that windpower
should be used only as an auxiliary
to some other source of energy, such
as the burning of coal or oil. Now
that fuel of all sorts has multiplied
in price there is all the more reason
for considering the possibility of
turning the wind into account. Hith-
erto the usual plan has been to use
a large slow-speed windmill to drive
a dynamo at a high speed through
gearing—a rather wasteful arrange-
ment.

MRS. T. J. MEAGHER ENDS LIFE RESULT OF ILL HEALTH

Makes Preparations For Her
Funeral, Then Shoots Self;
Services On Thursday

Planning with infinite detail how she would close the chapter of life on earth, Mrs. Thomas J. Meagher of 343 West Garfield avenue was found dead yesterday afternoon by her husband who had begun the first day of his vacation making preparations for a trip which would improve her health.

"I cannot stand the pain" was the plaintive tone in three notes which were left, instructing her husband about those things she wished done. On the margin of her Sabbath school paper, "The Classmate," she wrote: "Go and get Mrs. Phillips. Have her come over."

This referred to Mrs. J. A. Phillips of the Jewel City Undertaking parlors that has charge of arrangements for the funeral. She also requested that Mrs. Fannie Marple Rotts sing "Shadows" and "Some Day the Silver Chord Will Break" at services to be conducted by the Rev. C. M. Crist and the Rev. Mr. Hopkins. She asked that the Bible verse, "Let not your heart be troubled," be used for the text. The services will be held Thursday afternoon at 2 o'clock from the Jewel City Undertaking parlors and interment will be in Forest Lawn.

Urges Husband Sell Home

In another note to her bereaved husband, Mrs. Meagher requested that he sell their pretty little bungalow and move away for the sake of the daughter Geraldine, aged 14, who is an unusually beautiful and talented girl.

Speaking of the tragedy, Mr. Meagher stated that he had been aiding in the housework, cleaning his car and irrigating prior to leaving for a vacation trip. He was glad that his wife was enjoying an extraordinarily long sleep. After eating breakfast with her father, Geraldine also returned to bed and only a muffled sound like the slam of a screen door was heard by Mr. Meagher during the morning.

Revolver by Her Side

At noon when Geraldine awoke, she called the attention of her father to the fact that the sleeping porch door was locked and that her mother had not answered her calls. Breaking into the room the dead woman was found in a linen closet with a revolver lying by her side.

Mr. Meagher is employed by the C. H. Baker Shoe company in Los Angeles, it is stated. His wife had been in ill-health for two years, and they came to Glendale nine years ago. She was known in church circles for her singing and she had entertained quite extensively for her daughter, who recently entered high school.

The death of Mrs. Meagher recalls the suicide last year of Mrs. Louise M. Westlake, a wealthy widow, who resided at 213 West Garfield avenue, about a block from the saddened home of today. Neighbors did not know of Mrs. Meagher's demise for about four hours, it being understood that she had been removed to a hospital.

Oarsmen Resting For Hard Work Tomorrow

POUGHKEEPSIE, N. Y., June 21.—Little activity was seen around the boathouses today where the six crews that are to battle for the intercollegiate rowing championships tomorrow are quartered. The coaches of Cornell, Columbia, California, Navy, Pennsylvania and Syracuse allowed their oarsmen to rest without the hard work that has kept them going for more than a week.

Columbia, considered a favorite from the start, has given way to the Annapolis midshipmen since it became known that the Olympic champions had done the three-mile course in 13 minutes and 55 seconds. Cornell's varsity also went up a couple of notches by going down the course in 14 minutes 21 seconds.

California, sharply criticized for lack of rowing form, continues nevertheless to be regarded as the dark-horse in the race. The strength and brawn of the Pacific coast crew is entitling it to consideration, despite the opinion of coaches that its power is all wasted by a faulty stroke.

James W. Gibson Is Guest Annual Banquet

James W. Gibson of 202 North Louise street attended on Monday night the annual banquet of the Phi Sigma Gamma fraternity, held in the dining room of the Lankershim hotel of Los Angeles. The Phi Sigma Gammas are one of the largest and most influential fraternities in the osteopathic profession, and the annual banquets are the most important meetings of the year. This year's banquet, being the opening event of the state convention, being held in Los Angeles all this week, was probably the largest and most interesting attended in the history of the profession.

GREAT CHOIR WILL
BE ONE FEATURE
OF CONVENTION

Mrs. Fannie Marple Retts
Directing Singers; Work
On Auditorium Rushed

An ambitious program has been mapped out by the music committee under the direction of Mrs. Fannie Marple Retts of the Presbyterian church quartet. In addition to the National Guard band and another composed of home talent from the First Methodist church, a choir of 150 voices is being trained by Mrs. Retts with the assistance of Robert Maile of this city.

It is planned to have this choir render favorite selections at each evening meeting. Solos will be given by Mrs. Retts, who occupies a high place in musical circles in southern California. James G. Garth of Long Beach has been secured to act as accompanist.

To Seat About 4000 Delegates
The additions which are being made on the John Brown tabernacle at Harvard and Orange streets are being rapidly completed by a force of volunteer workers. When the two new wings are finished it is estimated that the C. E. auditorium, as it has been rechristened, will comfortably seat about 4000 delegates. In order that the building may be filled and emptied as quickly as possible and with as little inconvenience four new entrances have been built.

The paraphernalia used by the City Teachers' club in the recent benefit given in behalf of the sufferers in the Pueblo flood has been donated for the use of the C. E. convention.

Nations' Organization
Outlined By Harding

By RUSSELL BROWNING
United Press Staff Correspondent
WASHINGTON, D. C., June 21.—A diplomatic report giving a rough outline of an association of nations plan, purported to be favored by President Harding has gone to two South American republics, it was learned today. The two governments asked their representatives for a report on the Harding association. The salient features of the plan were:

The association would have no written constitution.
It would function through a council of representatives of member nations whose decision would be advisory rather than binding.
The present allied supreme council could be used as a nucleus for the association. The association's plan calls for an international law court, but without compulsory arbitration of disputes and without penalties for failure to abide by the court's judgment.

The word that such diplomatic reports have been sent closely follows information that an association of nations has been put on paper.

Harding has not worked out all of the details of his plans, the diplomats reported, but they expressed the conviction that he will base suggestions for an association solely on the co-operation between members for a world policy of good fellowship and mutual helpfulness.

SEALS IN WINTER

With the growing popularity of fur coats the interest in their origin is also developing, and many an owner of a handsome seal skin coat mused idly over its history before reaching her. Very few are aware of a real mystery attached to the garment which is so important to the smart women's wardrobe—for there is indeed a mystery surrounding the seal, and in all the years these animals have been under such close observation no one has ever been able to discover where they go in winter. No record of their hiding place has ever been made, according to Gas Logic, which gives something of the history of the seal.

In Alaska the seals begin to appear on the islands of St. Paul and St. George about the end of April or the first of May, and toward the latter part of August they disappear as strangely and mysteriously as they came. This is one of nature's secrets which she has kept most successfully hid from scientists as well as the prying eyes of the merely curious and inquisitive.

Even in the days, years ago, when the seals numbered 5,000,000 or more, apparently some signal unknown to man would be given, and the next day the rocks would be bare, the seals having deserted the islands. When they slipped off into Bering Sea, all trace of them was lost until their return the following spring. Then some morning they would suddenly reappear, depositing themselves in the water or on the shore.

NECESSARY

"The Browns named their baby after Julius Caesar."
"Why, the crazy idea! What did they do that for?"
"Because he was born too late for them to name him before him."

Mr. Hoover thinks that we have turned the corner in business. And even if we turned it on two wheels and very nearly capsize, what does that matter? A miss is as good as a mile, and all's well that ends well.

Governor Makes Address
Covina women had the pleasure of hearing Governor William D. Stephens address the Monday Afternoon club of that place yesterday. Officers for the following year were installed after the executive's glowing tribute to the women who have built up the citrus and walnut industries.

Has Plenty of Territory
Van Nuys is a part of Los Angeles. It has one detective for half of the San Fernando valley. He can go for twenty-five miles without being out of his beat. He did it yesterday in arresting Fernanda Gonzales.

L. A. Second to N. Y.
Los Angeles is now second only to New York in building activities. The permits issued in May totaled \$7,433,760 in the neighboring metropolis, which is better than Detroit, Philadelphia and Chicago. Maybe the latter will feel that its nose is being bumped in the race for the second largest city in America.

Large Areas Of Japan
Are Swept By Floods

TOKIO, June 21.—Terrific floods are sweeping large areas of Japan. Death lists today approached 200.

Entire villages were submerged under fifteen feet of water in the Hita district. At Kyushu more than 600 houses were washed away. Heavy rains caused the floods. The district of Kyushu was inundated so quickly that thousands had narrow escapes. At least 180 persons were drowned there.

The flood quickly swept hundreds of lightly constructed dwellings into the torrent where they collapsed and were carried out to sea in a mass of debris.

Bridges were torn out and swept away.

In the Hita district the waters spread more slowly, filling the streets of villages, some of them to a depth of fifteen feet. Twenty-three villages were known to be under water, their inhabitants taking to boats, some living precariously in trees and others clinging to roofs of cottages which threatened momentarily to leave their foundations.

Near Fukuoka, a city of almost 100,000 persons, great damage was done.

Protests Made Over
Shipments Of Liquor

SAN FRANCISCO, June 21.—A shipment of 100 barrels of medicinal whiskey to Tia Juana was going forward today following the issuance of a withdrawal permit by William A. Kelly, prohibition enforcement officer.

Although protests were made that there is no drug store or pharmacy in Tia Juana, and nothing but two rows of saloons, Kelly said that lacking positive evidence that he must assume that the whiskey was not for beverage purposes and would not be smuggled back into this country again.

Customs Inspector Woolman of San Diego held up a similar shipment of about 200 barrels of "medicinal" whiskey to Tia Juana and Mexicali, despite the fact that a withdrawal permit had been issued by Kelly, stating that most of it would be smuggled back into this country. Despite Woolman's protest the federal prohibition enforcement authorities ordered that the shipment be allowed to proceed.

SO PALACES FALL TO RUINS

What is to be done with Austria's old palaces and government offices? The great nobles who formerly inhabited the palaces of Budapest and Vienna are now war broken and impoverished. The imposing rows of government buildings are tenanted only by a few clerks. The Hofburg in Vienna, once the town residence of the emperors, now shelters only a few entente representatives and the members of relief missions. As a result the buildings are falling into ruin and the pauper state cannot even hope to keep them in presentable repair.

There is no possibility that Austria will ever return to even a small part of her old power, and these empty shells of former greatness have no part in the present or future economic scheme of things.

Many a man's popularity is due to the fact that he isn't aware of it.

PLEA FOR CITY TO
MAKE GATHERING
HUGE SUCCESS

Put Glendale Upon Map As
Convention City, Urged
By Howard L. Brown

(Continued From Page 1.)

surances were given that sleeping quarters would be provided for all, that the battle was finally won and the convention secured.

Now it is up to Glendale to keep the faith. Every incoming delegate and family should be provided with comfortable sleeping quarters, even if the residents have to sleep on the piano. And if they haven't a piano they can retire to the family tub for a few nights, the committee declares.

Special Greeting Committee

A special greeting committee, led by Miss Carol Duncan, is going to Saugus Saturday morning to meet the northern special which is to bring in the delegates from north of the Tehachapi. Incoming delegates and their families will be met by a large corps of pages and guides who will escort them to headquarters for the purpose of registration. Afterwards they will be taken to the various homes throughout the city where arrangements will have already been made for their entertainment.

Aside from the daily convention meetings and conferences, plans have been made to give the guests a very hearty good time every moment of their stay. Tuesday evening, starting at 5:30 a mammoth street parade a mile and a half long will be held. Floats from the various counties will take part. Riverside and Long Beach, former convention centers, have wired that they expect to be represented in the parade with some particularly beautiful floats. The line of march will be led by Glendale's finest, traffic and the street cars will be halted, and a genuine metropolitan effect given to this event.

Plan to Clean Up

J. C. Baker, head of the recreation committee, reports that his aids are going to take advantage of cleanup day by going out to Verdugo Park early this morning and putting the grounds and baseball park in general order for the picnic and ball games to be held there Monday afternoon. It is planned that the Juniors will leave Broadway and Brand avenues at 12:30 o'clock in special trains and automobiles that have been loaned by citizens for this purpose, while the Intermediates will leave at 2:30 o'clock. Arrangements have been made for the sale of box lunches at cost by the members of the commissary committee. A start for home will be made in sufficient time to enable all the delegates to attend the evening conference at the auditorium.

Large Bonfire Rally

A grand bonfire rally is to be held on Monday and Tuesday nights at the Athletic grounds, immediately following the conclusion of the conferences in the auditorium, at which community singing and a general jollification will be indulged in. It is also planned to use these meetings to give the young folks an opportunity to engage in circle confessions and statements of helpfulness received. This in an innovation in Christian Endeavor conventions and is the idea of Chairman Howard L. Brown.

Another new stunt will be that of nightly pageants at the auditorium, depicting scenes on the various foreign missionary fields, such as India, China, etc. These pageants, which will all be in costume, will be of from fifteen to twenty minutes' duration.

Merchants Are Thanked

That the merchants of Glendale have a special vote of thanks coming to them for the liberal manner in which they have responded to the many demands made upon them, is the statement of Howard L. Brown, general chairman. The Glendale Music company has donated a Baldwin concert grand piano for use at the nightly musicals to be held at the auditorium. The C. S. Cafeteria has agreed to remain open on Sunday for the convenience of the delegates. The merchants in general are making elaborate plans for decorating their places of business during the convention, and have without an exception responded to the many requests which have been made by the various committees. City Manager T. W. Watson is planning to erect a large canvass covering in the city park, which is to be used as a public camping ground.

Plenty of Food for Them

Mrs. H. W. Yarik, commissary committee head, reported that everything was in readiness to feed every one and there will be "plenty to eat." Churches, cafeterias and restaurants and various private homes are to be utilized for this purpose. C. C. Stoler reported that all street decorations would be completed Thursday and that the decorating of the auditorium would be finished in time for the big pre-convention concert to be held Friday evening. Other committee chairmen to report complete preparedness were: Lowell Donnell, registration; H. W. Yarik, ushers; Fred Hoffman, pages and guides; W. G. Boyd, halls and churches; Rev. E. E. Ford, pulpit supply; Harry Marple, information; Mrs. Fannie

MINES KILL SEA FISH

Butterfish, grass mongers and other fish strew New York's beach in such large quantities that some imaginative ones have decided a deep sea plague is at work thinning the ranks. But this is not the case. The large proportion of the fish are killed by the explosion of test mines by the government. The detonation from these mines causes the death of hundreds of fish each time one explodes.

MISUNDERSTANDING MARY

Burr McIntosh said in an address, at a meeting in a hotel in New York: "Some men get credit for qualities they don't deserve. It's like the case of a girl I know."

"What a brave, brave girl Mary is," said a young man in enthusiastic tones.

"Mary, brave? How so?" inquired the young man's sister.

"Why, at the dance last night," said the young man, "she was the only girl who kept her seat and remained perfectly cool when the mouse appeared."

"Pshaw," said the sister. "That wasn't bravery. Mary told me afterward that she had her old garters on."

LOUISE LOVELY IN PALACE GRAND FEATURE

'Partners Of Fate' Has Setting
In Tropical Isles With
Queer Love Story

Beautiful Louise Lovely is coming to town, in her second picture as a William Fox star. "Partners of Fate" is announced as the feature attraction for the Palace Grand Theatre today only.

In "Partners of Fate" Miss Lovely enacts the role of a young woman subjected to some of the queerest buffettings of fate that ever woman endured and triumphed over. The story, from the pen of Stephen Chalmers, has to do with the trials of two young married couples, who discover shortly after marriage that they should have been mated the other way—and then, by a freakish twist of providence, find themselves paired as they should have been at the altar, and castaways on two lonely islands; but with the barrier of marital obligations ever before them.

It is out of such a trying situation as this that Louise Lovely rises to what has been described as heights of dramatic power never afforded her in any previous role.

Roscoe (Fatty) Arbuckle comes back again as "The Butcher Boy," one of his earlier successes which wears well with the risibilities. Indeed, it is a dandy program with music equal to the pictures. Tomorrow the feature is "The Girl of My Heart," with Shirley Mason.

Admiral H. P. Jones Heads Atlantic Fleet

WASHINGTON, June 21. — Admiral Hilary P. Jones has been made commander of the Atlantic fleet to succeed Admiral H. B. Wilson, who has been transferred to the command of the naval academy at Annapolis, Secretary Denby announced.

Rear-Admiral E. W. Eberle has been made commander of the Pacific fleet to succeed Admiral Hugh Rodman.

Rear-Admiral W. H. Shoemaker, commandant of the Fourteenth naval district, was promoted to vice-admiral, second in command of the Pacific fleet. Rear-Admiral J. D. McDonald, commandant of the New York navy yard, was made vice-admiral and second in command of the Atlantic fleet. There will also be a redistribution of ships among the two fleets, it was announced.

Aerial Bombing Tests With Ex-German Ships

By A. L. BRADFORD
United Press Staff Correspondent
WASHINGTON, D. C., June 21.

The aerial bombing tests with the former German warships will be "tremendously important," but will not "challenge the superiority or effectiveness" of the battleship. Secretary of the Navy Denby declared today in a statement to the United Press.

The transport Henderson left here carrying a company of senators, congressmen, army and navy officers, foreign naval attaches and newspapermen who are to witness the tests beginning off Hampton Road today. "I do not think the results of the tests will be revolutionary," said Denby. "The purpose of the tests in an experimentation with bombing aircraft, with the idea of determining the tactics of the attack by aircraft and the tests are to be with a view of studying the effect of aerial bombs."

"I do not think the tests will challenge the superiority of the effectiveness of the battleship in any way. One element, of course, in value of tests, is to watch the effect of the bombs on the former German warships in the light of necessary changes in the future use of defensive armor on our own warships."

"We must also study the related elements in the tests in regard to construction of battleships and the use of aircraft for the future."

"When you start buying my clothes you can tell me what to wear," she told Chief of Police Theodore Becker, who arrested her.

She was charged with wearing a waist which was short sleeved, peek-a-bow and low necked.

John L. Lewis Out For Labor President

DENVER, Colo., June 21.—John L. Lewis, president of the United Mine Workers' has announced his candidacy for the presidency of the American Federation of Labor.

Lewis' announcement was made shortly after reports that a \$100,000 campaign fund was being used to further his candidacy was brought to the attention of the convention. Lewis said: "I have decided to permit my name to be presented to the convention as a candidate for president of the American Federation of Labor."

Lewis had previously told his closest backers that he would not announce his candidacy unless he had enough votes pledged to insure his election.

City Of Zion Defied By Accused Woman

ZION CITY, Ill., June 21.—Mrs. Sarah Johnson, charged with being dressed immodestly, stood up in court and defied the city of Zion today.

"When you start buying my clothes you can tell me what to wear," she told Chief of Police Theodore Becker, who arrested her.

She was charged with wearing a waist which was short sleeved, peek-a-bow and low necked.

Mrs. Johnson, who lives outside the gates of Zion, works in the lace factory here. Her case was continued.

Soldier Bonus Bill Is Favorably Reported

WASHINGTON, D. C., June 21.—The soldier bonus bill today was favorably reported to the senate by the finance committee.

The measure was accepted practically as drafted by a subcommittee and embraces five plans for adjusting compensation of veterans, ranging from a cash payment of \$1 a day for home service and \$1.25 for foreign service to aid in acquiring homes.

Its early consideration by the senate is to be expected.

SECOND NATURE

A weary wayfarer, to whose back clung the remains of an O. D. blouse decorated with a rusty red chevron, flopped down under a tree in a tight-fisted farmer's yard and proceeded to go to sleep.

"Git out of there," yelled the farmer, coming to the door with a shotgun in his hand. "Git, now, or I'll shoot."

The wayfarer stirred slightly in his slumbers and a beatific smile spread over his features.

"Shoot," he murmured happily. "You're faded."

Premiers Of British Empire In Conference

By ED L. KEEN
United Press Staff Correspondent
LONDON, June 21.—Premiers of the British empire today began consultation on policies affecting the welfare of all their dominions. While Premier Lloyd George was believed to have struck the keynote in his address yesterday, the premiers waited further reports from the British officials touching on colonial affairs.

The visiting officials showed great interest in Lloyd George's statements, especially those touching on the Japanese alliance and the promise to consider any disarmament appeal made by the United States. The statement was believed to have a great bearing on the Anglo-Japanese treaty which expires in a short time. The premier declared, however, that sea power is the basis of Britain's life and that it cannot be sacrificed entirely.

Lloyd George referred only indirectly to the Japanese treaty, paying a tribute to the eastern empire's contribution to the war.

Railroad Unions Win Labor Board Victory

CHICAGO, June 2. — Railroad unions won a smashing victory before the United States railroad labor board today when it was ruled that the Pullman Car company must deal with accredited representatives of rail unions.

The board ruled that a wage reduction which was accepted by representatives of an organization of employees formed by the company was invalid.

The Pullman company, employing 10,000 men, is the only railway industry that has organized a "company union."

This "union" has been fought by railroad employees affiliated with the American Federation of Labor and the railroad brotherhoods.

The case arose when members of the "company union" agreed to accept a 12 per cent reduction last winter. Investigation by the board showed, it was announced, that the majority of the employees belonged to the accredited unions and therefore negotiations with the organization formed by the company did not count.

SO THIS IS FAME

Wilton Junction is a city in Iowa that is an aspirant for fame because one of its citizens is the model husband, according to his own ideals, having for twenty-one years kept his premarriage promise to cook his own breakfast while his wife had an extra hour of beauty sleep.

Watching Scoreboard

Yesterday's hero—Babe Ruth hit the first ball pitched by Myers out of the lot and gave the Yanks a 7 to 6 victory over the Red Sox in the tenth inning.

Three runs scored in the eighth inning after Meadows had held them safe all the way gave the Pirates a 3 to 2 victory over the Phillies. Judge Landis pitched out the first ball.

The Athletics beat the Senators 7 to 2, and then lost, 4 to 2, in a bargain day bill.

The Detroit Tigers beat the Giants 8 to 6 in an exhibition game.

Two Receptions For Admiral W. S. Sims

NEW YORK, June 21.—There will be two receptions for Admiral William S. Sims when he arrived here Wednesday on the Olympic.

One will be laudatory, the other just the opposite. The Irish sympathizers who had planned what is vulgarly known as a "raspberry party" for Sims because of his "Jackass" speech in London will be offset by a group of citizens who will greet the admiral with laurels.

Casper Whitney, former chief editor of Outing, today announced plans for the laudatory welcome which will be staged at the pier, or quarantine, depending upon where Sims leaves the ship. The Irish sympathizers will be led by Major Michael A. Kelly.

On the Olympic also will be Washington D. Vanderlip, American mining engineer, returning from Russia, where he negotiated for huge concessions with the soviet government on a previous trip.

Object To Drafts By Germany, N. Y. Banks

WASHINGTON, June 21.—Representations have been made by the United States to the allied reparations commission to prevent Germany from paying large reparations sums by drafts on New York banks and using American financial institutions as a "credit fulcrum."

ORDINANCE NO. 449

AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE CALLING A SPECIAL ELECTION TO BE HELD IN SAID CITY ON THE 28TH DAY OF JUNE, 1921, AND SUBMITTING TO THE QUALIFIED VOTERS OF SAID CITY TWO SEVERAL PROPOSITIONS OF INCURRING AN INDEBTEDNESS FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS OF SAID CITY AND PROVIDING FOR THE ISSUANCE OF BONDS THEREFOR.

Whereas, The Board of Trustees of the City of Glendale at its adjourned regular meeting held on the 6th day of June, 1921, by vote of two-thirds of all its members, duly passed and adopted resolutions determining that the public interest and necessity demand the acquisition, construction, and completion by said City of Glendale of those two certain municipal improvements hereinafter in this Ordinance described, and that the estimated cost of each of said municipal improvements is as hereinafter stated, and is, and will be, too great to be paid out of the ordinary annual income and revenue of said City.

Now, Therefore, The Board of Trustees of the City of Glendale do ordain as follows:

Section 1. That a special election be held, and the same is hereby

called to be held, in the City of Glendale on the 28th day of June, 1921, for the purpose of submitting to the qualified voters of said City two several propositions of incurring an indebtedness and issuing bonds of said City therefor in the amounts and for the purposes set forth in said resolutions and as hereinafter stated.

Section 2. The first proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition of land and the construction and completion thereon of municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale; and the estimated cost of said improvement is the sum of \$26,000.00. That the amount of the principal of said indebtedness to be incurred therefor is the sum of \$26,000.00, and that the maximum rate of interest to be paid on such indebtedness shall be six per cent per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said first proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale?"

That if the said first proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit, two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of \$26,000.00 shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement. Both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

Section 3. The second proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition of land and the improvement of the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances; and the estimated cost of said improvement is the sum of \$22,000.00. That the amount of the principal of said indebtedness to be incurred therefor is the sum of \$22,000.00, and that the maximum rate of interest to be paid on such indebtedness shall be six per cent per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said second proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$22,000.00 for the purpose of acquiring land and improving the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances?"

That if said second proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit, two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of \$22,000.00 shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement. Both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

Section 4. That the election hereby called shall be, and the same is hereby consolidated with the general municipal election to be held in the City of Glendale on the 28th day of June, 1921, and heretofore called and ordered by the Board of Trustees of the City of Glendale to be held on said date by Ordinance No. 446, entitled "An Ordinance ordering the holding of a general municipal election on Tuesday, June 28, 1921, in the City of Glendale for the purpose of electing officers of said City, and providing for the participation of qualified electors of the Glendale City School District residing in territory outside of the City of Glendale in the election of members of the Board of Education," passed May 26, 1921. That the election precincts and polling places within the City of Glendale heretofore established and designated by said Ordinance No. 446, and the officers of election heretofore established and designated for said precincts in the City of Glendale by said Ordinance No. 446 are hereby established, designated and appointed as the precincts, polling places and officers of election for the special election hereby ordered to be held for the purposes aforesaid, and shall be the same as those set forth in said Ordinance No. 446 for all precincts in the City of Glendale.

Section 5. The polls for said election shall be opened at six o'clock of the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour for closing the polls there are any voters in the polling place, or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the polling place after seven o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

Section 6. That on the ballots to be used at said general municipal election in addition to the other matters required by law, there shall be printed the following:

Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale? Yes No

Shall the City of Glendale incur a bonded debt of \$22,000.00 for the purpose of acquiring land and improving the same for public park purposes, including the construction thereon of a public swimming pool and appurtenances? Yes No

Section 7. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes" opposite any question or proposition his vote shall be counted in favor of the adoption of such question or proposition; if he shall stamp a cross (X) after the printed word "No" opposite any question or proposition his vote shall be counted against the adoption of the same.

Section 8. That in all particulars not recited in this Ordinance, said election shall be held as provided by law for the holding of municipal elections in said City.

Section 9. The City Clerk shall certify to the passage and adoption of this Ordinance by a vote of two-thirds of all the members of the Board of Trustees of said City, and its approval by the President of said Board of said City, and shall cause the same to be published once a day for at least seven days in the Glendale Evening News, a daily newspaper printed, published and circulated in the City of Glendale, and no other notice of said election need be given. This Ordinance shall take effect upon its passage.

Adopted and approved this 16th day of June, 1921.

**SCOUT BENEFIT AT
THE GLENDALE
TONIGHT**

Director Edward Kull Brings
Eileen Sedgwick Here For
Personal Appearance

All of the good scouts of Glendale are likely to be found at the Glendale Theatre tonight as the big special picture program is for the benefit of the Boy Scout council here and the youngsters are selling hundreds of tickets.

Eileen Sedgwick, the beautiful girl of the thrillers, will be present in person with her entire company for the first episode of "The Diamond Queen," a picture that will run for eight weeks. Edward Kull of Glendale directed this super-serial for Universal.

"Save Your Money," a Rolin comedy, and the popular Pathe Review, will be shown in addition to the feature starring Harry Carey. It is titled "The Freeze Out" which should fit well with the warm weather. It is the tale of a lawless community, which doesn't fit so well with Glendale, which Carey helps to reform. Heart interest, suspense and western drama are the outstanding features.

Oh, yes. Afternoons are very enjoyable at The Glendale. It is 20 degrees cooler inside than out, according to Al Cawood, house manager. This fact should popularize the matinees at which the music is the same as the evening and prices are lower.

"Hush"—that is tomorrow's feature with Clara Kimball Young as the star.

**Twelve New Members
Are Taken Into Elks**

A very lively meeting of the Glendale lodge of Elks was held last night with 400 members in attendance, presided over by Alfred P. Priest, exalted ruler, who with the assistance of other officers initiated twelve new members into the order.

At this time No. 1289 was paid an official visit by Charles Doulon of Oxnard, president of the California State Elks' Association and past exalted ruler of Santa Barbara lodge, who gave a splendid address.

Several splendid selections were rendered by the orchestra, under the direction of R. F. Olin.

An air of mystery seems to pervade the local Elks club as regards the plans for Glendale's participation in the great Elks' convention. It is said that several surprises are in store which will make the visiting brothers sit up and take notice of Glendale more than ever before.

**Mrs. Alice P. Ames,
Age 76, Is Summoned**

Mrs. Alice P. Ames of Tujunga passed away yesterday morning at 7:30, aged seventy-six years, after an illness extending over many months. She was born in Essex, N. Y., and has been a devoted Christian mother and neighbor. Mrs. Ames is survived by four daughters and two sons, Mrs. H. G. Winslow of Ormo, Wis., Mrs. Margaret Carter, Miss Ada Ames, Miss Christine Ames, Eugene Ames and Robert Ames, all of Los Angeles.

Funeral services will be held Wednesday afternoon at 2 o'clock at the parlors of the Jewel City Undertaking company, Rev. W. E. Edmonds in charge. Interment at Forest Lawn cemetery.

**Christian Circle To

STETHOSCOPE IN WORKSHOPS

Most of us are, unfortunately, more or less familiar with the stethoscope, which the doctor uses when listening for the signs of defective action in our lungs or heart. It is not so widely known that the same kind of instrument can be employed to detect abnormal noises in moving machinery. The latest development in this workshop stethoscope, due to a British engineer, lies in the use of a kind of telephone receiver in place of the stethoscope rod.

The advantage of this device is that every bearing and every gear in a factory can be fitted permanently with a receiver and all the receivers can be connected by electric wires to a single board in the manager's office or any other convenient spot. By means of suitable switches the manager can examine each bearing or gear in succession without moving from the board. Since abnormal internal noise is often the first sign of trouble which may lead to a breakdown, this simple and rapid means of detection is an invaluable aid to the factory owner.

**Order Cave Dwellers
Of Berlin To Depart**

BERLIN—The colony of cave dwellers of Berlin, which took the back-to-land doctrine so literally that scores of men, women, boys and girls dug caves for themselves in the banks of the Spree just out of Berlin and discarded all modern wearing apparel, has been dispersed by the police. The colony's leader, Dr. Heinrich Goldberg, argued before a magistrate that the experiment was a simple solution of the housing and cost of living problems.

The cave dwellers began by discarding hats and shoes but soon decided to do away with clothing altogether and in this fashion disported themselves in the waters of the Spree, or sat about their cave doors munching black bread and sausages, apparently oblivious to the crowds of sightseers which began to frequent the vicinity.

Dr. Goldberg from his abode in the "Cave of Zarathustra," issued circulars discussing the Nietzschean philosophy, anarchy, communism, the faults of the present civilization and asking the rent-weary and work-worn to "watch this colony grow."

Somebody spoiled the experiment by complaining that the brotherhood was having a deleterious effect upon public morals and calling attention to the doctor's career, which was said to have included efforts to reform England, Russia and Poland. The colony has disappeared, but its leader has become a familiar figure upon the streets of Berlin, wearing long hair and going barefoot.

JOBLESS YOUNG MEN ARE GLAD TO GET BACK TO FARM

Starving In New York, They
Quit Park Benches For
Work In Harvesting

By PAUL R. MALLON
United Press Staff Correspondent

NEW YORK, June 21.—Jobless young America is going back to the farm.

The fighting Yank who left the plow to go to war and then remained in the big cities after he had returned has found starvation wages and rainy nights on park benches too much.

Miss Monica Barry Walsh, director of the American land service, said 200 boarded trains leaving New York today to go back to the country. Seven hundred and forty-eight went last week. Eleven hundred and thirty went the week before—and still there are 468,000 men out of work in New York.

"If we just had the money to handle these boys we could clear the park benches in a few months," Miss Walsh told the United Press. "Right here is the solution of America's industrial problem. All the former service men, out of jobs, seem to have come to the big city and they are clamoring to get back. With our small staff we don't dare to advertise for men. We did that one day and they nearly tore the place down trying to get in."

Starving in New York
"You wouldn't believe that there are men starving in New York, but they are. They may not be dying for food but lack of proper nourishment indirectly has caused many deaths."

"Last year we sent 1800 farmerettes up in New York state to pick fruit. This year we sent thirty, and we don't intend to send any more until we find places for the jobless."

"Farmers won't pay fares for these men and we haven't any money. Last week we started a gang out hiking across country, hoping to get them places without railroad fares, but the plan failed."

"The harvest season is coming on and we are as broke as the men, but even without assistance we can get back 20,000 by that time. With sufficient funds we could clean out the greater part of these 468,000 jobless in New York."

Insurance against the visitations of mothers-in-law would be popular with some men.

Mrs. E. W. Kinney Is Luncheon Hostess

A very delicious and elaborate luncheon was given yesterday when Mrs. E. W. Kinney of 123 West Elk avenue and Mrs. C. E. Norton as joint hostesses, entertained the directors of the Tuesday Afternoon club.

The color scheme was pink and white and was carried out in a large crocheted basket filled with pink carnations and tied with a large tulle bow. The favors were tiny crocheted white baskets filled with nuts and candies and tied with tiny pink tulle bows. The dainty place cards were hand-painted sketches of the typical "summer girl" in pink.

Covers were laid for: Mesdames Charles E. Hutchinson, president; Charles H. Temple, Mabel Franklin Ocker, Walter N. Stamps, Mabel M. Rudy, A. M. Hunt, John Robert White and the joint hostesses, Mrs. E. W. Kinney and Mrs. Charles E. Norton.

At 3 o'clock the new board members arrived. They are: Mrs. Oliver Clark, recording secretary; Mrs. E. W. W. Hayward, Mrs. E. O. Von Owen, Mrs. A. P. Findlay, Mrs. A. M. Williams, new first vice-president, and Miss Eva Daniels. A board meeting was held during the afternoon of both the old and new members, after which dainty refreshments were served by the hostesses.

THE EIDER-DUCK

Although the eider-duck is not an uncommon winter visitor to most of Britain, its nesting area does not extend farther south than Northumberland. Considerable numbers nest in the Farne Islands, and in Scotland the bird finds many suitable breeding places, but its numbers in this country have never been sufficiently large to render the collection of the down a profitable business, as it is in Iceland and Norway.

In these countries the down, with which the duck lines her nest, is collected systematically; each nest is visited at intervals of a few days, and both eggs and down are removed. In this way the birds are encouraged to lay a much larger number of eggs than they would naturally do and also to pluck from their bodies a proportionately large quantity of down. The ducks have become almost domesticated during the breeding season, and make use of artificial nesting places, from which the down can be removed with very little trouble.

The down is added to the nest as the eggs are laid, and before incubation has begun it is usually drawn over them by the duck when she voluntarily leaves the nest. After the bird has begun to sit, however, the eggs are not usually covered, and when disturbed from the nest the duck makes no attempt at hiding them, as is done by some birds.

R. M. McGee Running On Independent Ticket

R. M. McGee, one of the longest established business men in the city of Glendale, announced himself as an independent candidate for member of the city council at the municipal election, June 28. He states he is not indorsed by any brotherhood, league or other organization, and stands on his reputation as enterprising merchant and church leader to gain him votes.

A. B. Pounder Opens New Furniture Store

A. B. Pounder, who comes here from Billings, Mont., has opened the Enterprise Furniture company store at 216 West Broadway. He is experienced in the furniture line, having conducted a similar business in Billings, where his family still resides, but he intends to have them move here in the near future. With the slogan of "not the cheapest, but the best for the less," Mr. Pounder has started with a large stock of seasonable furniture which should attract Glendale buyers.

CHRIST'S WORDS IMMORAL

The moving picture censors of Pennsylvania had a terrible time over "Camille." They ruled Camille had to get married to Armand right off the first reel. Of course, if that happened there could be no story or picture. The matter was carried to court. The judge ruled that Camille and Armand didn't have to get a marriage certificate. This was a solar-plexus blow to the board, which turned its attention to tights in pictures for a while.

In a picture called "Hearts Adrift" the Pennsylvania board eliminated the title: "If we only had a little one of our own."

"Roll your own" was eliminated as a title from a one-reel comic in a western state where it was pro-German to smoke a cigarette.

Motion picture title writing is a great game if you don't weaken.

Of course when "Carmen" hit the Scranton-Harrisburg circuit the censors lay in wait all night with their clippers. These were some of the titles snipped out of that classic: "The officers Do Not Pay for My Clothes," "And You Will Keep the Key of Her Cell."

The board of censors in Pennsylvania now has gone after the New Testament. In a picture called "The Eternal Magdalene" they ordered out these titles: "Let who is without sin among you cast a stone at her" and "Neither do I condemn thee; go, thou, and sin no more." These were pronounced "immoral."

MAKE TROPICS SAFE FOR WHITE FOLK, EXPERTS PLAN

Big Scientific Expedition Will
Travel Along Amazon And
Plunge Into Jungles

By JAMES T. KOLBERT
United Press Staff Correspondent

WASHINGTON, D. C., June 15.—The victory won by the United States against the malaria-carrying insects of the Panama Canal zone may be duplicated on a much larger scale in the tropics by the Mulford scientific expedition, now on a trip of exploration and research along the Amazon river and its tributaries. The party is expected to leave La Paz, Bolivia, soon for the plunge into the forests and jungles of the eastern slopes of the Andes and thence into the interior.

Eight men are in the party. Dr. H. H. Rushby, dean of the college of pharmacy of Columbia university, is director of the expedition. Others in the party are Dr. William M. Mann, bureau of entomology, United States department of agriculture; Dr. E. M. Pearson, authority on fishes; Dr. O. E. White, noted botanist; Dr. Frederick L. Hoffman, insurance company official and an authority on public health and an expert rifleman and a motion picture cameraman.

To Improve Conditions
The party will study and make collections of plants, insects, fishes and reptiles. Health conditions and the effect on the peoples of the tropics by the insects and other disease spreaders will be carefully studied with a view of destroying the pests and providing serums against infection. The ultimate object is to make life more comfortable and worth while living under tropical conditions and enable commercial enterprises to extend their fields of activity.

Dr. Rushby, who already has a number of explorations in the tropics to his credit, expects to bring back at least 5000 species of plants to the collections in the New York botanical gardens, Harvard university and the National Museum in Washington. Large quantities of drugs will also be sent back for study by specialists.

Dr. Mann will devote his time to a study of the disease-carrying insects and how to destroy them. Experiments with many different insecticides will be carried out in an effort to develop something which will be effective in protecting travelers and natives from attacks by noxious insects.

Guard Against Disease
The party will travel by mule, rafts and canoes and make stops at favorable points for investigation of the surrounding country. It is planned to reach the city of Moncas, Brazil, in November of this year. Present plans call for the expedition to leave Moncas early in 1922, for the Rio Negro and Rio Uaupes. At one point on this journey the party will cross the trail of the famous Roosevelt expedition.

Extraordinary precautions against skin diseases and other infections of the tropic have been taken. Every member has been vaccinated against smallpox, typhoid and pneumonia. Huge supplies of medicines and serums of all kinds have been taken along. These include anti-snake venom, quinine, to ward off malaria, and a serum to combat dysentery.

THE LUCKLESS ONE

You've heered the story of the fellow that hunted up the preacher that had married him and nigh beat him to death?" said Gap Johnson of Rumpus Ridge, Ark. "Well, tuther day who should I run on to but the preacher that married me."

"Have any trouble lickin' him?" asked an acquaintance.
"Did'n't try to. You see, while I've got a wife, fourteen right peart children and a mess of the finest dogs a body ever laid his eyes on, that pore cuss had all these years been trying to live on a preacher's salary, and hadn't nut'n but a wife and a pack of kids, and narry dog. No, sir; not a durn dog."

Don't waste any time trying to get something for nothing. Adam got the apple without money and without price—and remember his finish.

W. W. Hunter Is New Proprietor Of Store

W. W. Hunter is the new proprietor of the Glendale Paint and Paper company store at 119 South Brand, the pioneer business of its kind in this city. In yesterday evening edition of The Glendale Evening News his name was given as Hunt. E. S. Bliven remains as manager.

A BOSS WHO NEVER BOSSED
There is an old proverb to the effect that a good boss makes a good workman. The most successful employers are those who have the most worthwhile employees. Part of the success, no doubt, is in picking the employee. Another part, perhaps, is in letting him alone. If he is worth keeping he is worth trusting.

"Joseph Pulitzer never dictated to me," said Samuel G. Blythe. "He never told me what to write or what not to. Only once in my life did he even make a request of me."
Blythe was for years the star man in the great blind editor's Washington bureau. Now and then, as Blythe explained, Mr. Pulitzer went to some trouble to prove in the editorial column that Blythe was suffering from a prolapsus of the intellect. Sometimes he massed facts to show that his opinion differed monumentally from that of his Washington luminary. But he never dictated, said Blythe. Or almost never. Because once he did ask a favor.

"I had been sharpshooting at the manner in which a great firm of architects was abusing the exterior of the White House," said Blythe, "when one day I got a wire from the Old Man. It ran something like this: 'Unless you have a deep personal feeling in the matter I wish you would cease further reference to the rebuilding of the White House. Please understand this is not a criticism of what you have written. But the same firm of architects are building a house for me, and if you don't lay off I'll not get into it for two years.'"

Blythe's conclusion was that an employer of that sort is fairly sure to have employees who will rob graves, sit up all night, or tear a thesaurus to tatters for him.

Unless a man has horse sense he is apt to make a donkey of himself.

To the Chief of Police:

People of this town have threatened to call in the police to solve the mystery of the unsigned newspaper ads (similar in appearance to this), in which citizens have been warned that they would be forced to pay "hush" money within the next few days. We can't hold out any longer. The pressure is getting too strong. We'll confess. The money mentioned as "hush" money will be paid for admissions to see Clara Kimball Young in her latest and greatest photo drama—

"HUSH"

from the pen of the gifted author, Sada Cowan, also author of that sensational success, "Why Change Your Wife?" "HUSH" is charming, refreshing, vivid, dramatic, intense—the de luxe of the fine pictures that Glendale will see this season—and is dedicated to all women who talk too much. "HUSH" will be presented at the GLENDAL Theatre Wednesday and Thursday, June 22-23. "The Committee of Ten."

Glendale Better Council Campaign Committee

Commends to the voters the most independent, competent and representative ticket in the field:

W. E. Anderson, S. A. Davis, C. E. Kimlin,
Wm. C. Mabry, Spencer Robinson

Why a New Organization Had to Be Formed in The People's Interest

There were two organizations already "programmed." One of these organizations refused to indorse a single candidate who was opposed to "blue laws" and "Sunday closing."

The other group we attempted to co-operate with in the selection of an **independent ticket**, but we found this organization to comprise a small clique whose principal purpose seems to be to keep the majority of the incumbents in office—in the expectation of their being subject to the domination and control of certain ambitious gentlemen. The vice president and leading spirit of this little self-centered group is the local manager of the SOUTHERN CALIFORNIA GAS COMPANY. The chairman of the "indorsing" committee is the local representative of the TELEPHONE TRUST. The man who was and is the sine qua non candidate of this group has for many years been in the employ of the RAILROAD COMPANY. It, therefore, becomes imperative to offer in behalf of the citizens of Glendale, organized assistance to five big, outstanding, independent, substantial business and professional men, to properly protect the people's interests.

WHAT THE GLENDALE BETTER COUNCIL CAMPAIGN MEANS

The candidates of this organization are pledged to: **ECONOMY IN EXPENDITURES.** Our city now has a **monthly** salary list aggregating \$10,000 per month!

EFFICIENCY IN ADMINISTRATION.

Nepotism has insinuated itself into various departments of our city government. This does not make for efficiency.

PROGRESSIVE IMPROVEMENTS—Until the close of the re-adjustment period, essential and substantial improvements should be made, but all **luxuries should be postponed.**

ECONOMY IN TAXATION—By efficiency and economy our taxes can be held at the minimum.

A CLEAN CITY—High moral, ethical standards should prevail. Our city is a city of homes and our children must be protected.

RELIGIOUS FREEDOM—Blue laws and Sunday closing interfere with religious liberty, the most sacred right of American people. The candidates of the Better Council Campaign Committee will strictly enforce law and order and the highest standards of purity and decency will be carefully safeguarded.

REPRESENTATIVE GOVERNMENT—It will be noted that no two of the Better Council Campaign Committee candidates live in the same district of the city and that they are widely representative.

A SQUARE DEAL TO ALL—The names of the men indorsed by the Better Council Campaign Committee are a sufficient guarantee of their honesty and fairness.

We Oppose the Election of:

DWIGHT W. STEPHENSON for many reasons. For instance he quietly introduced and after hundreds of citizens had objected, continued to justify a proposed ordinance which would have extended the cemetery several blocks up one of our finest residence avenues and immediately across the street from school grounds and private homes, notwithstanding the patent fact that there is ample space for expansion in another direction. He tolerates, if not encourages, nepotism in the public service. Nepotism has a most devitalizing effect upon the efficiency of public service.

A. H. LAPHAM is an employe of the railroad company, who works in the city of Los Angeles, leaving Glendale early in the morning and returning late in the evening. Mr. Lapham lives in the same section of the city as does Mr. Davis (who is in business in Glendale and has no entangling alliances.)

We oppose all other candidates because they have avoided any public pronouncement against "blue laws" and Sunday closing. There are some who have declared for submitting the matter to a special election. Such a course is not in the interest of economy and would be wasteful of the city's funds. The issue is now clearly drawn and can be settled by the vote next Tuesday. The members of the Better Council Campaign Committee believe in decency, quiet, law and order. We do not believe in the disturbance of Sunday worship. We believe in pursuing the peaceful, cordial attitude heretofore evidenced by one religion toward another in this city. But we also believe in the constitutional right of **religious freedom** and the only way in which we can be protected is by eternal vigilance against fanatical and oppressive Sunday legislation. We are confident that this represents the view of the great majority of church members and we earnestly invite their hearty co-operation.

The Glendale Better Council Campaign Committee Recommends The Following Candidates

WILLIAM E. ANDERSON

410 West Los Feliz; age 50 years; resided in Glendale 15 years; garage and auto service business; a substantial, conservative, successful business man and a large taxpayer; he will be interested in economy and efficiency; he is a practical mechanical engineer and his knowledge as such will be of great service to the city; he will bring to the Board a long and successful business experience—a quality now needed in our city government.

S. A. DAVIS

118 West Colorado; age 46 years; resided in Glendale 9 years; real estate and investment business; formerly in feed and fuel business. He has had an active, honorable and successful business career in our midst and he is a man of sane, independent judgment; he is prepared to give a great deal of his time and attention to the city's affairs.

C. E. KIMLIN

219 North Isabel; age 40 years; resided in Glendale 8 years; he is business manager of our most famous institution, the Glendale Sanitarium and Hospital, known the country over. He is a man of great popularity because of his great ability and never failing courtesy. He has had twenty years of active and successful business experience; he has been actively interested in civic betterment and humanitarian movements.

WILLIAM C. MABRY

115 East Acacia Avenue; age 49 years; resided in Glendale approximately 9 years; after his graduation from medical college he served his country in four campaigns: Spanish-American War; Chinese Boxer Expedition; Philippine Insurrection and the World War; throughout many years of army service and in civil life he has continuously occupied administrative and executive positions of great responsibility. During his residence in this city he was city health officer of Tropic during three administrations and was, for three or four years, president of the Tropic Chamber of Commerce; he also served as superintendent of the Play Grounds association and installed the Tropic playgrounds; he has been closely identified with every public improvement, including the paving and lighting of Brand boulevard and the acquisition of the water system; Dr. Mabry is a highly educated man and has had unusual training and experience in the field of sanitation, as this was one of his special duties during the many years he served in the army. His special knowledge and experience in the field of sanitation alone will not only protect the health of the city of Glendale in the event of the improvement of our water supply and the installation of a sewage disposal plant, but will save the taxpayers thousands if not hundreds of thousands of dollars. Dr. Mabry is a specialist and is not engaged in general practice; as a physician he thoroughly believes in medical freedom under the law; that is, he believes in the right of any individual to choose any method of healing he may desire; during the last nineteen months he has been in the service as Acting Assistant Surgeon, U. S. Public Health Service, in care of disabled veterans of the World War; all of the disabled veterans under his charge at Thornycroft warmly commend him.

SPENCER ROBINSON

1234 East Windsor Road; age 52 years; resided in Glendale 14 years; real estate business; he is a substantial business man having considerable property in Glendale and his course as city trustee has met with the approval of the city of Glendale; he is in position to give his time and attention to the city's interests.
